

Catholic Social Teaching IN OUR CURRICULUM

ART

COMMUNITY AND PARTICIPATION

Collaboration enhances creativity by pooling ideas. Art fosters community engagement through shared ideas and diverse perspectives. Participation and collaboration build relationships, trust, and social cohesion, bridging divides and promoting inclusivity within the community.

Students reflect with peers on successes, challenges, and future improvements. Collaboration includes giving and receiving feedback which is essential for progress. Students explore diverse artists and cultures, fostering empathy and appreciation while expanding perceptions of art creators and creation processes.
