## What does this have to do with our Mission of the Month?

**Mission of  
the Month  
Human  
Dignity**

Dignity is the right of every single person to be valued and respected for their own sake, and to be treated ethically and fairly. In general, human dignity is at its most basic, the belief that all people hold a special value that's tied solely to their humanity.

At St Mark's we will use this month to celebrate the fact that we are part of a heterogeneous community.

**Can you think about all of the ways that our school community is heterogeneous?**
