

# ST MARK'S CATHOLIC SCHOOL

Uniform & Appearance  
2019/2020

This booklet is designed to enable parents to have a clear idea of the expectations we have of all our pupils. St Mark's has very high standards of dress and is a "strict" uniform school and we are very grateful for the support from parents. In order to clarify any queries you may have the examples in this booklet should ensure that parents are aware of what is acceptable and what is not. Please ensure that you read it before purchasing any new uniform items. Pupils will not be allowed to wear non-uniform items even if they have just been bought. We will put in detention, internally exclude and exclude for a fixed term pupils who persist in not wearing their uniform properly.

If you are unsure about any uniform purchase please contact the school and refer the matter to the appropriate PPL. The school will make the final decision as to what is acceptable or not according to our policy.

## **Hair**

Hair **must not** be cut below a level 3 and must not be excessively long for boys.

Natural hair colours only are allowed. No highlights or multiple colours in the hair are allowed.

Hair **should not** be shaved into a style including a pattern or on one side of the head. Hair **must not** be cut short at the sides and left long on top.

Hair extensions should not be a different colour to the natural colour of a pupil's hair.

If hair is braided in corn rows it must be worn tied back securely with a plain band

If a girl has particularly long and voluminous (big) hair it must be tied back.

Eyebrows must not be shaved into – with a pattern or stripe(s).

Hair bands should be dark in colour and small. Scarf style bands, flower clips, large slides and coloured clips are not allowed.

It is the school's expectation that boys are clean shaven (no facial hair) in years 7 to 11

## **Facial Piercings**

The only piercings allowed are in the earlobe. One small discrete ear stud is allowed in each ear.

No other facial piercings are allowed. This includes tongue piercing or earrings in the ear other than in the ear lobe.

Retainers to hold open ear piercings are not allowed.

The wearing of a sticking plaster to cover over a recent piercing is not acceptable. If a pupil has difficulty removing any such piercing this could result in exclusion from school until such time as he/she conforms to school rules.

### **Nail Varnish**

The wearing of nail varnish, false nails or nail jewellery is not allowed.

Nail varnish remover is provided by Mrs De Roeper in the Medical Room. However repeat offenders will be asked to pay 10p to cover costs. Pupils will be required to cut off false nails.

### **Shirts**

It is essential that the size of the collar of the school shirt fits well and is large enough to allow the top button to be done up.

The shirt should be long enough to be tucked in.

A detention will be set for any pupil who forgets or “loses” his/her tie on a regular basis. Replacement ties can be purchased from Matron at the school. The clip on tie is the only acceptable tie. Pupils are expected to wear the correct house colour.

Pupils may not wear a coloured T-shirt or any other top under the school shirt. If seen the pupil will be asked to remove it.

### **Tights**

Girls’ tights must not be footless and must not be worn with socks under. Navy blue or black tights only are allowed but leggings are not permitted. Tights should be matt and opaque.

### **Socks**

Plain socks in black, grey or navy blue are the only ones which are acceptable for boys.

## Shoes

The following are examples of appropriate footwear:

Examples of footwear which are **NOT** acceptable

No plimsoll, trainer or Vans style shoe is acceptable footwear for school. If a shop advertises a shoe as a “school shoe” this may still not be compatible with the uniform policy. If a pupil arrives at school, even with a note, he/she may be sent home or put into isolation in order to resolve the issue. The school will always attempt to support parents where necessary.

The following are FAQs:

- What if the pupil has a medical condition or a Doctor/medical practitioner advises him/her to wear trainers?

A doctor's letter must be provided and the PPL and Mrs De Roeper should be informed by letter/'phone

- What if the shoes are still wet from the rain the previous day?

Shoes should be left on a radiator to dry overnight

- What if shoes are broken, lost, left at another house, left on the bus, left behind after a sports fixture, left in a locker, left in the car, taken home in a friend's bag and left at home?

Shoes can be purchased at most large supermarkets usually from 8am until 10pm. The school will send a child to purchase another pair of inexpensive shoes if necessary. Parents will be contacted in all instances to enable them to rectify the problem as quickly as possible.

The guidance from the Department for Education allows for "the Head teacher to ask a student to go home to remedy a breach of the school's rules on appearance or uniform....if the student repeatedly infringes the school rules on uniform or appearance this may constitute a disciplinary offence and may be grounds for exclusion."
